

What to expect

a different kind of therapy...

Our camps include some awesome team building activities that are designed to promote teamwork, social skills development and social interaction in a organic fun environment. Some of the activities you will experience on our camps are:

- Knee boarding / Wakeboarding
- Tubing / Kayaking
- Team Cricket & Soccer matches
- Fishing & Yabbying
- Cooking Skills (BBQ Duty & Clean up duties)
- Talent Shows
- Table tennis tournaments
- Movie Nights
- Craft activities & much more on offer

Every participant who attends a TWCI camp comes home wanting to book another.

Often being the catalyst for change in behaviours, our participants come home feeling a sense of comradery and newfound motivation to push themselves outside of their comfort zone in everyday life after having the most fun & social interaction they've had in a long time.

Together We Can International (TWCI) creates a TWCI Community of support that continues long after the camp finishes that is very unique & something we are extremely proud of.

TOGETHER WE CAN

INTERNATIONAL PTY LTD

Together We Can International (TWCI) is a provider of quality supports to teens & young people across Adelaide with ASD, ADHD, Mild Intellectual and Neurodiverse disabilities.

www.twci.com.au

Cost & Bookings

billed to your plan or self-managed NDIS Plan

All our camps are aimed to be as cost-effective as possible whilst providing the best possible support to our participants. Our camps are billed under the Core section of your NDIS plan. This will be clearly outlined in your service agreement.

It is also part of our risk management process that all intake and referral forms are completed in their entirety including all triggers, allergies, special requests, medications & and behavioural issues listed clearly, and all relevant paperwork & and registrations are completed, signed & returned prior to attending our camps.

We aim to match participants on camps & day trips as closely as possible to like-minded peers in the group to promote maximum social interaction and forge friendships as organically as possible with a little help from our mentors in social skills.

All camp & day trip schedules are outlined & available to book online at www.twci.com.au or give us a call to discuss on (08) 8164 6991

"It's not what we do, it's the way that we do it"

What is included in the cost?

Our camps costs are all inclusive of;

- Pick up & drop off
- Accommodation
- Cost of all Activities & Equipment
- All quality meals, Snacks & Refreshments
- Engaging Mentors

Respite Camps

a different kind of therapy...

Often referred to as 'A Different Kind of Therapy' our Respite Camps have been designed in conjunction with people with ASD, Parents, Behavioural therapists, DE's and OT's to tick so many of the boxes & goals we are wanting to achieve with our neurodiverse youth in one action packed camp, including things like;

- Social Skill Development
- Friendships & learning social cues
- Teamwork & Group tasks
- Trying new things & pushing comfort zones
- Limited screentime & having fun outdoors

We see many participants with noticeable change in behaviour's, a sense of belonging and feeling of comradery between campers often resulting in many of our participants coming back to camp to volunteer to help others and forging lasting friendships from our camps & activities.

Day Trips

Most weekends that we run camps we also run a day trip to the camp location, for participants to come and try and get a taste of what our camps are like. This is a great option also for participants wanting to participate in camps with limited funding
